

SPONSORSHIP PACKAGES 2026

BUILDING A STRONGER FUTURE, TOGETHER

The Coorong Cats is a merger of Meningie and Border Downs Tintinara (BDT) football and netball clubs, joining the River Murray football and netball leagues in 2023. Over the past three years, the Coorong Cats have continued to grow and prosper, creating valuable opportunities across our region. We remain committed to expanding pathways for our junior players, strengthening our volunteer base, and increasing participation, all with the goal of building a strong and sustainable future.

We value:

- **Family-friendly**
- **Volunteers**
- **Locals first**
- **Junior development**
- **Inclusivity**

On behalf of the Coorong Cats Football and Netball Club, we are pleased to present our 2026 Sponsorship Package and invite you to partner with us in supporting local sport and community. Our club is built on strong values of teamwork, respect and community spirit, and it continues to grow both on and off the field.

Please see below our sponsorship prospectus for 2026. We welcome the opportunity to discuss how we can tailor sponsorship arrangement that aligns with your business goals. Thank you to our on-going sponsors, we look forward to continuing our strong partnership in the year ahead.

By sponsoring the Coorong Cats, your business will be exposed to:

- All members and spectators of the River Murray football and netball clubs (Murray Bridge, Mannum, Jervois, Mypolonga, Tailem Bend, Karoonda, Peake, Lameroo and Pinnaroo)

But most importantly, your sponsorship will help in creating a strong future for our communities here at the Coorong Cats.
